 New York District, Kiwanis International

November 2013 Volume 16 • Issue 2

To:

Lieutenant Governor Stephen's Message

This first month of my term has turned out to be as many previous Lt. Governors and others have told me. It has been very busy due to officers installations, of which I still have another 10 clubs to do, my first division meeting, and scheduling for upcoming events. I have attended the Maspeth pancake breakfast, the 27th Annual Howard Beach Halloween Parade, the Glendale Halloween Parade. Great job to all of you and thank you for inviting me and allowing me to participate. I was impressed to see that many clubs have made a great effort to participate in the installation at other clubs, as well as doing interclubs. We need to support each other in order for this division to grow and prosper.

A special thanks to Gov. Joe Aiello for assisting in some installations. Also, a belated birthday wish for Gov. Joe. I would like to thank all the clubs for their whole-hearted support on my first division meeting. Thanks to PG Al Norato for his words of encouragement, PG Bill Risbrook, who is in Gov. Joe's team to build new clubs and membership. PG Joe Corace also attended and gave us a few words of wisdom, and Sal Anelli, pres. of the New York District Foundation, who presented me with the Kaiser Award medal. IPLG Forbes Irvine gave us a talk on how to lower the Kamp Kiwanis debt. Joe Mure, from the Juvenile Diabetes Research Foundation (JDRF) and the Ben-Bay Kiwanis club spoke about JDRF causes and research to cure it. This is also my personal project for the division for this year.

On Saturday, December 21, 2013, the Queens West Division will be serving food to parents and children at the Ronald McDonald House at 405 E 73rd St. New York NY. Santa Claus will be there to give out toys donated by the Toys for Tots Foundation. Any club that wants to bring gifts, preferably toys, is appreciated. Please give your donations to Bob Kueber from the Glendale club.

The Queens West Division has already increased its membership this month by 12 new members. This is a great start.

All clubs should try to do membership round-up, membership drives, open house, etc. Membership growth is a year-long project. Gov. Joe has set a goal of 1,000 new members. So, don't wait for the last minute to start recruiting.

I visited the Metropolitan Division to support Lt. Gov. Chris Rubano and the installation of officers at his club, South Shore in Staten Island.

If you would like to have me attend any of your functions, or have something published, please notify my secretary, Dino Bono at hbkiwanisdino@outlook.com with the information so it can be added to my calendar. Please give me ample advance notice.

Club Secretaries must have their monthly reports submitted by the 10th of the following month.

At the next Division meeting on November 16 at Lenny's Clam Bar, there will be a presentation on protocol and etiquette for visiting Kiwanian officers and other guests.

I have rented a suite for the mid-winter conference. Looking for ideas, suggestions and help with the food, drinks and decorations. Let's show the rest of the state the respect and support that Gov. Joe receives from his home Division.

With Thanksgiving almost upon us, don't forget those in your community who are still needy.

The Division would like to offer its condolences to PLG Joanne and PP Bob Billharz of the Sunnyside Club on the passing of their daughter Dianna Billharz-Leon.

Also, condolences to La Guardia Airport president Bill Huisman on the passing of his mother Blanche.

Please keep our members and their families who are ill in your thoughts and prayers.

A Happy Thanksgiving to all our members and their families.

*Sincerely,
 Lt. Gov. Stephen*

Queens West Kiwanis Foundation

by John Stahl and Janice Bar

By this time each of our club Presidents should have received a brochure and letter detailing the goals and accomplishments of our Foundation. We ask that each club establish a line item in their budget to support and fund the Queens West Kiwanis Foundation. A contribution of at least \$100 from each club will provide the needed funding for the foundation to continue to achieve our stated goals.

At the October Foundation meeting the board voted to continue to support and assist those families struggling from the effects of Hurricane Sandy. We provided 10 \$50 gift cards to the Baptist Church in Rockaway for distribution amongst their members.

A proposal from Eric Pasinkoff from the Astoria/LIC Kiwanis Club was submitted and reviewed. The presentation asks for funding for school uniforms for a school in Rwanda. The project will clothe 700 students at a cost of \$7 per student for a total of \$4900. It is being spearheaded by the Marian Fathers of the Immaculate Conception of the BVM. Eric is assisting in securing the money needed from Kiwanis Clubs interested in getting involved in an International project, from individual Kiwanians, as well as other interested individuals and from corporations granting charitable donations. For those interested in supporting this endeavor, call or fax Eric at: (212) 332-3334 or (212) 486-7064.

The next Queens West Kiwanis Foundation Meeting will be on Monday, November 18th beginning at 5:45 PM at Lenny's Clam Bar - 16103 Cross Bay Blvd., Howard Beach.

Queens West Kiwanis Protocol

Protocol is good manners and etiquette observed during meetings and special courtesy, dignity and respect shown for visitors, especially Kiwanis District & International Officers. The following list is intended for your information and guidance.

The Official Visit(s) of the Lieutenant Governor to a club are important and should be used as an educational meeting. The club President should set aside at least three (3) meetings for the Lieutenant Governor as a speaker. (A) Installation of Officers (B) Official Lieutenant Governor visit (C) Board of Directors Meeting.

The club President should always show a cordial relationship with the Lieutenant Governor. When the Lieutenant Governor visits each club, the club assumes the expense of his/her meal. Complimentary meal arrangements should be made prior to the Lieutenant Governors arrival.

Visiting Kiwanis Leaders (Governor, Lieutenant Governor, etc.) should be seated at the head table and recognized once during the meeting.

When both the District Governor and Lieutenant Governor are present at a club meeting, the club President introduces the Lieutenant Governor who, in turn, introduces the District Governor.

General introductions include interclub delegations, visiting Kiwanians, potential members, representatives of sponsored youth programs and other guests.

Each club President or Presiding officer should have a timed agenda for each meeting. All meeting should start and end on time. All speakers should be informed of club procedures and the time limit for their presentation.
