**Queens West Division
New York District, Kiwanis International**

April 2019

Volume 21 • Issue 7

Message From Lieutenant Governor Anthony Pappas

Greetings Queens West!

Spring has sprung and things are hopping at the moment in Queens West! March started off cold and snowy but began with attending the Shareing & Careing Survivor's Celebration Luncheon on March 2nd and later that night I attended the Adelphi Circle K Murder Mystery Dinner and show. On March 8th, I attended the Liberty Division of Circle K Divisional on March 8th and on March 11th, I helped serve dinner to the families at the Ronald McDonald House in Manhattan. I was able to attend Sunnyside's club meeting on March 13th, and East River's Paint Night on March 21st. And last, but not least I spent the weekend at the Circle K District Convention, March 22-24th and the Key Club LTC March 29-31st. Spring is a time of renewal. As the weather gets warmer, our clubs are getting more active. This is a wonderful time of year for us to continue our service and refresh our membership. Remember that our SLP's begin their new year on April 1st, so let's welcome our new counterparts and work with them on some projects. This is a perfect time for some hands on projects such as park clean-ups, food drives, gardening, walks, parades, etc... I see a lot more events coming up and I look forward to attending them and getting to know more of our division members as I do.

Our upcoming Divisional on April 15th will include our Lt. Governor Elections. It's hard to believe that half of the year is over. We will also have a speaker from Rescuing Leftover Cuisine, a great program I heard about through our Circle K members! I think you will be interested in their program and mission.

Remember, increasing our membership is a big part of our goals this year and so far our Division is still in second place with a few less new members than our neighbors in Queens East. Let's keep those new memberships coming in as we strengthen our clubs with each new member brought in. Each new member is a new idea, or a new resource to help us help our communities and make more of a difference. As a District, we need to keep growing our numbers and I would like to see our Division take the lead and finish the year as number 1 in new members so let's keep them coming. Remember for Governor Hank's Distinguished member program, a member simply needs to sponsor 2 new members to be Distinguished! Please get them in the database and take us from Good to Great!!

I hope everyone has registered for the International Convention in Orlando, as fees have now increased. If your club will not be able to attend, please consider speaking with a past Lt. Governor so that they can possibly represent your club as a delegate for the NY District!

Yours in service,
Lt. Governor Anthony 2018 -2019

CIRCLE K

Greetings Everyone!

My name is Viktoriya Borisova and I am honored to formally introduce myself as the Lieutenant Governor of the Circle K clubs in Manhattan (Baruch, City College, Hunter, NYU, and Pace), known as the Liberty Division. My vision for this term is to be present as a friend and resource for the members and executive boards. One of my favorite positions was my time as Club President. Now, I want to use my experience and resilience toward supporting clubs as they proceed with their terms. We all have our own vision, passion, and voice. My goal is to help all of that flourish for my clubs, so that they are proud of themselves and their contributions.

I currently am a Junior undergraduate Psychology and Sociology major at CCNY with potential of adding an Economics minor. I am a strong advocate for the growth mindset. Thus, I strive to push my boundaries while supporting the people around me. Circle K has given me that outlet, especially by allowing me to work with others who agree on my motto that community shapes the nature of our success.

I would be honored to include the Liberty Division in working with you if you ever have a specific cause/event that you care about. You are welcomed to reach out to me through viktoriya.borisova@nycirclek.org.

Thank you for your time,

Viktoriya Borisova

MARCH DIVISIONAL MEETING

March 18, 2019 was our March Divisional meeting. Special guest, Peter Mancuso presented a program on Kiwanis protocol and the upcoming International convention. It's not often that a Lt. Governor gets to have a current International Trustee and candidate for International Vice President attend their divisional so Queens West was very honored to have him attend. Thank you Peter for taking the time out of your busy schedule to attend!! We had a busy agenda as we also had Immediate Past, Super Distinguished Lt. Governor, Carol Masiello present the club achievement and Distinguished awards from the Midyear conference. Once again, congratulations to all of the clubs that were recognized! Special congratulations to Carol, as she was surprised and presented with a Walter Zeller award by Lt. Governor Anthony on behalf of the Division for all her work last year as well as all of the help she has given to Anthony and the Division this year. This was made possible from the funds raised through the Eliminate grid we ran over the last few months, so once again thank you for all who participated and congratulations to Dino from Howard Beach who actually won the grid and took home the cash prize! Special thanks to our other guests, fellow Lt. Governors, Kevin Kamper and Janice Bar for attending as well!!

GLENDALE'S NIGHT OF SONG & DANCE

On March 30, 2019 Glendale Kiwanis held their Night of Song & Dance featuring "Risky Business". Members from Howard Beach, Lefferts Liberty, Sunnyside and East River came out to support the event and a fun time was had by all!!
