October 2014

Volume 17 • Issue 1

MESSAGE FROM LIEUTENANT GOVERNOR JP Di Troia

The changing of the Guard

It sure has been an exciting year with the fantastic leadership of our Past Lieutenant Governor Stephen Sirgiovanni.

From helping at Ronald McDonald's House to donating to Juvenile Diabetes and KPTC as well as the International Project Eliminate saving thousands of babies from dying from the horrible death of Neo Natal Tetanus, his leadership has made all of us proud to be a part of this great division.

It also shows us what WE AS A TEAM can accomplish together. In my year as Lieutenant Governor I want not only to continue this momentum but to enhance it. We can easily do this by continuing to helping each other by supporting our various projects and helping all clubs grow in membership.

In this regard, I have set up a texting notification system. Those who wish to participate will receive text message reminders about divisional meetings. In addition each club will have the ability to post up to 6 of their club events during the year to notify other club- members or potential members. This service will be provided by Walter Sanchez of the Queens Ledger. There is no cost (except for your normal texting charge from your provider). Texts are limited to 130 letters including spaces and should be sent a few days before each event To join in on the texting notification system Text 21321 and then type in the message area "kwest." To get your event texted to our members, send an email with a brief description of the time, place and date of your event. Please send all text releases to kwest@queensledger.com Please copy me at my new email address jpkiwanis@gmail.com. If you have any questions please call my office at 718-821-9700.

I want you all to know that my door is always open to assist each club. My resources are at your disposal. And,

of course, I know and can count on all clubs support in this great division.

Let us start my year with a bang with all our clubs supporting our divisional meetings held every third Monday of the month at Villa Erasmo (formally La Bella Cucina), 69-61 Juniper Blvd Middle Village, NY 11379 Phone number (718) 894-8191. Please contact my divisional secretary Mike Terry at mterry@mtpadvisors.com or call him at 718-898-0871 each month to let us know how many will be attending to support this great division. Please make every effort to attend. This is a good way to meet your fellow Kiwanis members, share your success stories and fund raising ideas.

I will be Looking FOWARD to serving you. And WE WILL HAVE A GREAT YEAR.

Remember "KIWANIS IS IN OUR HEART AND OUR HEART IS IN KIWANIS" serving the community, the children, the seniors, one day, one group at a time.

Best regards.

JP Di Troia

Queens West Kiwanis Protocol

Protocol is good manners and etiquette observed during meetings and special courtesy, dignity and respect shown for visitors, especially Kiwanis District & International Officers. The following list is intended for your information and guidance.

The Official Visit(s) of the Lieutenant Governor to a club are important and should be used as an educational meeting. The club President should set aside at least three (3) meeting for the Lieutenant Governor

as a speaker. (A) Installation of Officers (B) Official Lieutenant Governor visit (C) Board of Directors Meeting.

The club President should always show a cordial relationship with the Lieutenant Governor.

When the Lieutenant Governor visits each club, the club assumes the expense of his/her meal. Complimentary meal arrangements should be made prior to the Lieutenant Governors arrival.

Visiting Kiwanis Leaders (Governor, Lieutenant Governor, etc.) should be seated at the head table and recognized once during the meeting.

When both the District Governor and Lieutenant Governor are present at a club meeting, the club President introduces the Lieutenant Governor who, in turn, introduces the District Governor.

General introductions include interclub delegations, visiting Kiwanians, potential members, representatives of sponsored youth programs and other guests.

Each club President or Presiding officer should have a timed agenda for each meeting. All meeting should start and end on time. All speakers should be informed of club procedures and the time limit for their presentation.

Queens West Kiwanis Foundation

by John Stahl and Janice Bar

At the September meeting of the Foundation, the Board approved renewing the bulk mailing permit and funding for the division newsletter. Our greeting card program will be expanded to include Christmas/Holiday cards for the approaching December Holiday Season. There will be three different Christmas/Holidays cards available in a packet of 20 cards for the price of \$25. To date the greeting cards have raised \$1575 in Foundation funds. Ticket sales to our "Tribute to the Beatles" concert, scheduled for Saturday, October 25, have been somewhat slow. This fun event, open to both Kiwanians and our community, could be a major fund raiser if all 300 tickets are sold. This is a great opportunity for our clubs to display Kiwanis to potential members and guests. Please consider purchasing a table of ten and extending an invitation to your members and/or future Kiwanians.

The next meeting of the Queens West Kiwanis Foundation is Monday, October 20th beginning at 5:45 PM, prior to the Queens West Kiwanis Division Meeting.

On September 27th the **Kiwanis Club of Middle Village** once again held a Horse & Pony Ride Fundraiser at Lynne's Riding Center in Forest Hills. Along with a \$10 pony ride and raffle ticket prizes, this year's event included the FDNY's Fire Safety Experience with children given fire hats, and coloring books, while they and their parents experienced the how tos on being safe in a fire. This was the third annual Horse & Pony Ride Fundraiser the club has conducted, thanks to Corporate Sponsor Lynne's Riding Center's generosity, and it was, as usual, a big success, with this year's event benefiting both the FDNY Foundation and the NY Firefighters Burn Center Foundation. Both organizations distributed pamphlets to both the children and the adults. Some of the children had never been on a horse before but they quickly got into it and their smiles and pleasure from both the ride and the Fire Safety Experience was rewarding indeed
